NOTES

- (a) The respective Explanatory Statements, pursuant to Section 102 of the Companies Act, 2013, in respect of the business under Item Nos. 3 to 6 of the accompanying Notice are annexed hereto.
- (b) Member entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint proxy to attend and vote instead of himself / herself and the proxy need not be a member of the Company. The proxy form duly completed and signed should be lodged with the Company, at its registered office at least 48 hours before the commencement of the AGM.
- (c) During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, members would be entitled to inspect the proxies lodged, at any time during the business hours of the Company, provided not less than three (3) days written notice is given to the Company
- (d) Disclosure pursuant to Regulation 36(3) of the SEBI (Listing Obligation and Disclosures Requirements) Regulations, 2015 and Clause 1.2.5 of Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India (SS-2), in respect of the persons seeking appointment /re-appointment as Director is incorporated in the annexure to the notice.
- (e) Pursuant to the provisions of the Section 91 of the Act, the Register of Members and Share Transfer Books of the Company will remain closed from 15th September, 2018 to 26th September, 2018 (both days are inclusive) for annual closing and determines the name of members eligible for Final dividend on Equity Shares for the FY 2017-18 if declared at 57th Annual General Meeting..
- (f) Members are requested to :
 - (i) Intimate to the R&T Agent about the changes, if any, in their registered addresses, Dividend mandates etc.
 - (ii) Quote their Folio Number in all their correspondence.
- (g) Members who have multiple folios with identical order of name are requested to intimate to the R & T Agent about their folios to enable the R & T Agent to consolidate all share holdings into one folio.
- (h) The Securities Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat Accounts. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Share Transfer Agents, M/s Adroit Corporate Services Private Limited, Mumbai for share transfer process.
- (i) Pursuant to the provisions of Section 124 & 125 of the Companies Act, 2013 the amount of dividend not en-cashed or claimed within 7(seven) years from the date of its transfer to the unpaid dividend account, will be transferred to the Investor Education and Protection Fund (IEPF) established by the Government.

- (j) Accordingly, the unclaimed dividend in respect of financial year 2010-11 is due for transfer to IEPF on 28th October, 2018. The Shareholders whose amounts are transferred to IEPF as above, are entitled to get refund of the dividend from IEPF after complying with the provisions of Rule 7 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.
- (i) This is inform to all the Shareholders that in accordance with the provisions of Section 124(6) of the Companies Act, 2013, all the shares in respect of which ***[dividend has not been paid and claimed for seven consecutive years or more shall be]*** transferred by the Company in the name of Investor Education and Protection Fund alongwith a statement containing such details as may be prescribed. Therefore, the Company hereby requested to the Shareholders (who have not claimed their dividend as aforesaid) to claim their unpaid dividend on the shares.
- (k) Members who have neither received nor encashed their dividend warrant(s) for the financial year 2010- 11 to 2014-15, are requested to write to the Company, mentioning the relevant Folio No or DP ID and Client ID, for issuance of duplicate/ revalidated dividend warrant(s).
- (l) In terms of Section 101 and 136 of the Companies Act, 2013 read together with the Rules made thereunder, the listed companies may send the notice of Annual General Meeting and the Annual Report, including Financial Statements, Board Report etc. by electronic mode. The Company is accordingly forwarding soft copies of the above referred documents to all those shareholders who have registered their email ids with their respective Depository Participants or with the Registrar & Transfer Agent of the Company.
- (m) Pursuant to Section 72 of the Act, Members holding shares in single name are advised to make a nomination in respect of their shareholding in the Company, in the prescribed Form SH-13. The Nomination Form can be downloaded from the Company's Website. Members holding shares in physical form are advised to file their nomination with the Company's Registrar and Share Transfer Agent, whilst those members holding shares in dematerialised form should file their nomination with their DP.
- (n) **Dematerialisation of Shares**
This is to inform that 75.05% of the total equity shares have already been dematerialized as of 31st March, 2018. Shareholders who have not dematerialized their shares are requested to get the same dematted.

(o) Registrar and Share Transfer Agent :

M/s Adroit Corporate Services Private Limited, 1st Floor, 19/20, Jaferbhoy Industrial Estate, Makwana Road, Marol Naka, Mumbai - 400 059 (Maharashtra) is Registrar and Share Transfer Agents. Therefore Shareholders of the Company are advised to send all future documents/correspondence such as request for Dematerialisation of Shares, Transfers of Shares, Change of Address, Change of Bank Mandate / ECS and other Share related matters to M/s Adroit Corporate Services Private Limited at above mentioned address only.

(p) Change of Information/ Bank Mandate :

The members/ shareholders holding shares in physical form are requested to notify/ update any change in their address, Bank Mandate e.g. Name of bank, account number, branch address and ECS number to Registrar and Share Transfer Agent and/ or the Company or to their respective Depository Participants (DP), if the shares are held in electronic form.

(q) Members/ Proxies are requested to bring their copy of the Annual Report to the AGM.

(r) SEBI has vide its notification dated June 8, 2018 has mandated that transfer of securities would be carried out in dematerialized form only from a cut-off date, i.e. December 5, 2018. In view of the above and to avail various benefits of dematerialization, members are advised to dematerialize shares held by them in physical form.

(s) Voting Through Electronic Means :

In compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members facility to exercise their right to vote at the 57th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services provided by Central Depository Services (India) Limited.

The instructions for shareholders voting electronically are as under:

- ((i) The voting period begins on Sunday, the 23rd September, 2018 at 9.00 A.M. and ends on Tuesday, the 25th September, 2018 at 5.00 PM.  - Members holding shares in Physical Form should enter Folio Number registered with the Company.

--- 8 ---

- (v) Next enter the Image Verification as displayed and Click on Login.
- (vi) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (vii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	<ul style="list-style-type: none">• Enter your 10 digit alpha -numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)• Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field.• In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	<ul style="list-style-type: none">• Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.• If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv).

- (viii) After entering these details appropriately, click on “SUBMIT” tab.
- (ix) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xi) Click on the EVSN of BAJAJ STEEL INDUSTRIES LIMITED. This will take you to the voting page.
- (xii) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiii). Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xiv) After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm

- your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xv) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xvi) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xvii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xviii) Shareholders can also cast their vote using CDSL’s mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. iPhone and Windows phone users can download the app from the App Store and the Windows Phone Store respectively Please follow the instructions as prompted by the mobile app while voting through your mobile.
- (xix) Note for Non – Individual Shareholders and Custodians**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be emailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xx) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.
- (r) In addition to the e-voting facility as described above, the Company shall make a voting facility available at the venue of the AGM, by way of ballot paper. Members may participate in the AGM even after exercising right to vote through e-voting as above but shall not be allowed to vote again at the AGM. Only such Members attending the AGM who have not already cast their votes by e-voting shall be able to exercise their right to vote at the AGM.

(s) **Voting Through Physical Ballot Form :**

In terms of Regulation 44 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the members who do not have access to e-voting are requested to fill in the Physical Ballot Form enclosed with the Notice and submit the same in a sealed envelope to the Scrutinizer. Unsigned, incomplete or incorrectly ticked forms shall be rejected. The ballot must be received by the Scrutinizer on or before 25th September, 2018 (5.00 PM) To the address 202, Shantiniketan, K-13/A, Laxminagar, Nagpur - 440022. The Scrutinizer's decision on the validity of the forms will be final. Members are required to vote only through the electronic system or through ballot and in no other form. In the event a member casts his votes through both the processes, the votes in the electronic system would be considered and the ballot vote would be ignored. M/s B.Chhawchharia & Co, Chartered Accountants, Nagpur, Firm Registration No. 305123E has appointed as the Scrutinizer to scrutinize the e-voting process (including the physical ballots received from members who don't have access to the e-voting process) in a fair and transparent manner.

The Scrutinizer shall within a period not exceeding Three (3) working days from the conclusion of the e-voting period unblock the votes in the presence of at least Two (2) witness not in the employment of the Company and make a Scrutinizer's Report of the votes cast in favour or against, if any, forthwith to the Chairman.

Since e-voting facility (including Ballot Forms) is provided to the Members pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Companies (Management and Administration) Rules, 2014, voting by show of hands will not be allowed in the meeting.

Members are requested to support the "Green Initiative" by registering their email address with the Registrar & Share Transfer Agent (RTA)/Company, if not already done.

Those Members who have changed their email IDs are requested to register their new email IDs with the RTA/Company in case the shares are held in physical form and with the Depository Participant where shares are held in Demat mode.

Pursuant to the Listing Regulations, the Company is required to maintain bank details of its Members for the purpose of payment of dividend, etc. Members are requested to register/update their bank details with the RTA/Company in case shares are held in physical form and with their Depository Participants as well as the Company where shares are held in dematerialised mode.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 04 :

The Company is required to have its cost records audited by a Cost Accountant in practice. Accordingly, the Board of Directors, at its meeting on 30th May 2018, on recommendation of the Audit Committee, approved the appointment and remuneration of M/s Rakesh Misra & Co., Cost Accountants (Firm Reg. No. 000249), to conduct the audit of cost records of the Company for FY 2018-19 at a remuneration of ₹ 75,000/- goods and service tax as applicable and reimbursement of out-of-pocket expenses incurred.

In terms of provisions of Section 148(3) of the Act read with Rule 14 of the Companies (Audit & Auditors) Rules, 2014, the remuneration payable to the Cost Auditors is required to be ratified by the Members of the Company. Accordingly, the Members are requested to pass an ordinary resolution as set out in Item No. 04 of the Notice for ratification of the payment of remuneration to the Cost Auditors for FY 2018-19.

The Board of Directors recommends the resolution for approval of the Members of the Company.

None of the Directors of Key Managerial Personnel of the Company and their relatives are in any way concerned or interested in the resolution.

Item No. 05 :

Shri Ashish Bajaj was appointed as an Chief Executive Officer (CEO) of the Superpack Division of the Company for Two (2) years w.e.f. 20.03.2010 and was further re-appointed for a period of One(1) year each after the expiry of the Two years, which was duly approved by the shareholders/ members of the Company.

Looking at his background and valuable experience, the Board of Directors of the Company vide their meeting held on 7th February, 2018, further re-appointed Shri Ashish Bajaj for a period of One (1) year w.e.f. 20.03.2018, in compliance with Section 188 and other applicable provisions, if any of the Companies Act, 2013 or any amendment or substitution thereof (including any statutory modification(s) or re-enactment for the time being in force) and the rules made thereunder and subject to the approval of the Shareholders.

The details of the monthly remuneration are as under :

Monthly Remuneration:

Basic Salary	:	₹ 1,55,000 /-
Bonus	:	As per policy of Superpack Division.
-:: 12 ::-		

BAJAJ STEEL INDUSTRIES LIMITED

Provident Fund	:	As per policy of Superpack Division.
Perquisites	:	
• House Accommodation	:	15% of Salary (including bonus). ₹ 15,000/- per month towards Furniture Hire Charges.
• Medical	:	Reimbursement of expenses incurred for self & family subject to ceiling of Two (2) months salary in a year.
• Leave Travel Concession	:	Leave Travel concession for self and family.
• Club Fees	:	Fees of club subject to maximum of two clubs
• Personal Insurance	:	Annual premium of Personal Accident insurance shall not exceed ₹ 20,000/- .

The total Remuneration including monetary benefits of all perquisites/facilities mentioned above shall not exceed the limits as prescribed under the Companies (Meeting of the Board and its Powers) Rules, 2014 which is ₹ 2,50,000/- per month including any revision / alteration thereof as the case may be and at any time, in case the monthly remuneration exceeds the limit during the tenure, the prior consent of the Shareholders through Special Resolution shall be required to be taken before making any payment.

Shri Ashish Bajaj as a Chief Executive Officer of Superpack Division of the Company shall be solely responsible & liable for all the operations (including Day to Day operations), activities and all the compliances including Statutory & Labour compliances applicable to the Superpack Division of the Company from time to time and necessary forms / papers in relation thereof shall be filed to the concerned authorities.

Shri Ashish Bajaj, Chief Executive Officer (CEO) of the Superpack Division shall have the general powers and authorities for operation of Superpack Division.

The Directors recommend the resolution for approval of the members of the Company. Shri Vinod Kumar Bajaj being relatives of Shri Ashish Bajaj may therefore be deemed to be interested in passing of the resolution to that extent.

Save as aforesaid none of the other Directors of the Company are in any way concerned or interested in the aforesaid resolution. The Company commends the Special Resolution set out at Item No. 05 of the Notice for approval of the Members.

Item No. 06:

The Company had pursuant to the provision of clause 49 of the Listing Agreements entered with the Stock Exchanges, appointed Shri Deepak Batra (DIN : 02979363), as an Independent Director of the company since 01.09.2010 and who also holds 100 equity shares in the Company. Shri Deepak Batra (DIN : 02979363), Chartered Accountants is having more than 28 years of experience in the field of finance, accounts, commerce and industry.

In terms of Section 149 and other applicable provisions of the Companies Act, 2013, Shri Deepak Batra (DIN : 02979363) being eligible and offering himself for appointment and is proposed to be appointed as an Independent Director for Five (5) consecutive years for a term upto 25th September, 2023. A notice has been received from a member proposing Shri Deepak Batra (DIN : 02979363) as a candidate for the office of Directors of the Company. In the opinion of the Board, Shri Deepak Batra (DIN : 02979363) fulfills the condition specified in the Companies Act, 2013 and rules made thereunder for his appointment as an Independent Director of the Company. The Board considers that his continued association would be of immense benefit of the Company and it is desirable to continue to avail services of Shri Deepak Batra (DIN 02979363) as an Independent Director .

Accordingly, the Board recommends the resolution in relation to appointment of Shri Deepak Batra (DIN 02979363) as an Independent Director, for approval by the members / shareholders of the Company.

Except, Shri Deepak Batra (DIN 02979363) being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested , financial or otherwise in the resolution set out at Item No. 06.

DIVIDEND :

Your Directors are pleased to recommend the Equity Dividend @ 30 % i.e. ₹ 3/- per share each subject to the approval of members at ensuing Annual General Meeting for the Financial year ended 31st March 2018 . The Dividend as recommended would involve an outflow of ₹ 70,50,000/- (Rupees Seventy Lakh Fifty Thousand) towards Dividend excluding corporate dividend tax .The dividend will be distributed to the shareholders whose names appear on the register of members as on record date

WORKING & FUTURE PROSPECTS :

During the year under review, the gross turnover of the Company increased gradually from ₹ 21,220 lakhs in 2016-17 to ₹ 23,438 lakhs representing a growth of 10.45%. The increase in turnover is attributable to the new developed products as well as to the better exploremments to new markets. The profitabilities of the company has increased due to the increase in turnover including exports orders which has resulted in better allocation of fixed expenses.

MACHINERY DIVISION :

The Steel Division is concentrating in its core business of manufacturing Cotton Ginning and Pressing machineries. However, during the year under review, the demand of these products has fallen down due to continuous decrease in the cotton production. However the Company has received the export orders in the machinery division which affects and represent a growth in the form of profitabilities. The continuous improvements in the product quality and enhanced sales efforts are likely to balance the performance.

ELECTRICAL DIVISION :

The Company has in place Electrical Panel Business Unit, to fulfill existing demands of Electrical Panels from Cotton Ginning Customers and to expand its horizons and to cater the open market. The Company is offering extensive range of Industrial Electrical Panels, Electrical Control Panels, ACCL Panels and Power Distribution Board and all of them with advanced technology. Further, the Company has obtained UL Certification and Authorization to apply the UL mark in its electrical panels.

INFRASTRUCTURE DIVISION :

The Company is also successfully involved in the business of Pre-Fabricated Buildings (PEB) and executed more than 250 Steel Building projects (Domestic and Export). The Company has in-house Design & Engineering Capabilities to reach new frontiers of technical excellence. It has established dedicated Engineering center & also Design & Development centers for the entire range of products and their manufacturing technologies. The Company is providing different solutions for different purposes such as Pre-Engineered Buildings, Pre-fabricated Buildings, PEB Industrial Shed, Pre-fabricated School Buildings, Prefabricated Warehouse, Structures, Agricultural Buildings, etc.

SUPERPACK DIVISION :

Shri Vinod Kumar Bajaj and Shri Ashish Bajaj are looking after the Superpack Division of the Company. Looking at the valuable experience and background of Shri Ashish Bajaj, the Board of Directors has re-appointed Shri Ashish Bajaj as CEO of Superpack Division for further period of One (1) year w.e.f. 20.03.2018, in compliance with provisions of Section 188 and other applicable provisions, if any, of the Companies Act, 2013 or any amendment or substitution thereof (including any statutory modification(s) or re-enactment for the time being in force) and the

rules made thereunder, subject to approval of the shareholders at the ensuing Annual General Meeting. Further, Shri Ashish Bajaj, Chief Executive Officer of Superpack Division of the Company is solely responsible & liable for all the operations (including Day to Day operations), activities and all the compliances including Statutory & Labour compliances applicable to the Superpack Division of the Company from time to time and necessary forms / papers in relation thereof shall be filed with the concerned authorities.

FOREIGN SUBSIDIARY:

The Company has two Wholly Owned Foreign Subsidiary companies as under:

- 1) Bajaj Coneagle LLC, Alabama, USA;
- 2) Bajaj Steel Industries (U) Ltd., Uganda

M/s Bajaj Coneagle LLC, A Limited Liability Company having its office at Prattville, Alabama, USA with the physical presence at USA, the Company is able to tap the US & International Market of Continental Products.

M/s Bajaj Steel Industries (U) Ltd., with the help of its foreign subsidiary, the Company has successfully completed one turnkey project awarded by Cotton Development Organization for construction of cotton seed processing plant at Pader (Uganda) and further, the Company is also looking for some other profitable projects as well in Uganda.

In accordance with Section 129 (3) of the Companies Act, 2013, the Company has prepared a consolidated financial statement of the Company and its subsidiary companies, which forms part of the Annual Report. Pursuant to provisions of Section 129 (3) of the Companies Act, 2013, a statement containing salient features of the financial statement of the Company's subsidiaries in Form No. AOC-1 is annexed to the financial statement of the Company. The statement also provides the details of performance and financial position of the subsidiaries of the Company

CREDIT RATING:

Your Directors are glad to inform that CRISIL has further reviewed and rated in respect of Bank facilities of the Company. The ratings are as under :

Total Bank Loan Facilities Rated	₹63.58 Crores
Long - Term Rating	CRISIL BBB-/ Stable (Outlook Revised from 'Negative' and Rating Reaffirmed)
Short- Term Rating	CRISIL A3(Reaffirmed)

EXTRACT OF ANNUAL RETURN:

The extract of Annual Return, in format MGT -9, for the Financial Year 2017- 18 has been enclosed with this report

AUDITORS AND AUDITORS' REPORT :

Pursuant to the provisions of section 139 of the Companies Act, 2013 and the Rules made there under, the auditors of the Company M/s VMSS & Associates, Chartered Accountants, Kolkata (Firm Reg. No. 328952E), were appointed in the previous Annual general Meeting of the Company by the shareholders for five years terms at the 56th Annual General meeting to hold office until the conclusion of the 61st Annual General Meeting.

As per Companies (Audit and Auditors) Amendment Rules, 2014 dated 07/05/2018, the provision regarding ratification of auditors at every Annual general Meeting is omitted. Further, the appointment of statutory auditor is not being ratified at the Annual general meeting of the Company, as it is no longer required. Accordingly, M/S VMSS Associates, Chartered Accountants, Kolkata Auditor of the Company will hold office till the conclusion of the 61st Annual General meeting of the Company.

The observations made by the auditors read together with the relevant notes thereon, are self explanatory and do not call any comments.

COST AUDITORS AND COST AUDIT REPORT :

Pursuant to Section 148 of the Act read with rules made thereunder, the cost audit records maintained by the Company in respect of its manufacturing activities are required to be audited. The Board of Directors has, on recommendation of the Audit Committee, appointed M/s Rakesh Misra & Co., Cost Accountants (Firm Reg. No. 000249) to audit cost accounts of the Company for the FY 2018-19. As required under the Act, remuneration payable to the Cost Auditors is required to be placed before the Members in the general meeting for their ratification. Accordingly, a resolution seeking Members ratification for the remuneration payable to M/s Rakesh Misra & Co., Cost Accountants, is included at item no. 4 of the Notice convening the AGM. Further, the Company has received the Cost Audit Report from the Cost Auditors for the Financial Year 2018-19 and the same is being filed with the Ministry of Corporate Affairs.

SECRETARIAL AUDITOR :

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors of the Company has appointed M/s. Siddharth Sipani & Associates, Practicing Company Secretary, to conduct Secretarial Audit for the

Financial Year 2017-18. The Secretarial Audit Report for the Financial Year ended March 31, 2018 is annexed herewith to this Report. The observations made by the Secretarial Auditors are self explanatory and do not call any comments.

Protected disclosures can be made by a whistle blower through an e-mail or letter. The Policy on vigil mechanism may be accessed on the Company's website at www.bajajngp.com.

DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION & REDRESSAL), ACT 2013: PROHIBITION & REDRESSAL), ACT 2013 :

The Company is an equal opportunity employer and consciously strives to build a work culture that promotes dignity of all employees. As required under the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013 and Rules framed thereunder, the Company has implemented a policy on prevention of Sexual Harassment of Women at workplace. An internal complaints

committee has been set up to receive complaints, investigate the matter and report to the management for redressal of complaints of Sexual Harassment.

During the year, no complaints were received by the committee.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT :

A Management & Discussion Analysis Report for the year under review, is presented in a separate section forming part of the Annual Report.

GOODS AND SERVICE TAX

The Goods and Services Tax (GST) is a landmark reform which will have a lasting impact on the economy and on businesses. Implementation of a well-designed GST model that applies to the widest possible base at a low rate can provide stimulus to the business and contribute to the Hon'ble Prime Minister's mission of 'Make in India'. Your Company has successfully implemented and migrated to GST with effect from July 01, 2017 and changes across IT systems and operations have been made keeping in mind the sweeping changes that GST has brought in.

MEETINGS OF THE BOARD :

The Board of Directors met Five (5) times during the Financial Year 2017-18, the details of which are given in the Corporate Governance Report that forms part of this Annual Report. The intervening gap between any two meetings was within the period prescribed by the Companies Act, 2013.

ANNUAL REPORT ON CSR ACTIVITIES

A brief outline of the Company's CSR Policy, including overview of the projects or programmes proposed to be undertaken and a reference to the weblink to the CSR Policy and projects or programmes:

As per Section 135 of the Companies Act, 2013, Every Company having a net worth of Rupees Five Hundred Crores or more, or turnover of Rupees One Thousand Crores or more or net profit of Rupees Five Crores or more during any financial year shall constitute a Corporate Social Responsibility Committee of the Board consisting of three or more directors and out of which at least one director shall be independent Director.

The Company therefore determined to bring together the Company's existing operating principles into one framework policy under the heading of Corporate Social Responsibility (CSR). The principles encompassed in this policy cover the major areas of the social responsibility and have been developed and continue to be reviewed against and updated by reference to relevant codes of corporate governance.

The policy objectives of the Company as per Schedule VII of The Companies Act, 2013 are as follows:

- a) Eradicating hunger, poverty and malnutrition, promoting preventive health care and sanitation and making available safe drinking water;
- b) Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects;
- c) Ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water;
- d) Contribution to the Prime Minister's National Relief Fund or any other fund set up by the Central Government for socio-economic development and relief and welfare of the Scheduled Castes, the Scheduled Tribes, other backward classes, minorities and women.
- e) Promoting gender equality, empowering women, setting up homes and hostels for women and orphans, setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups.

The Board of Directors of the Company supports the principles set out in those codes and standards and the aim of this policy is to translate that support into a set of guidelines and standards that set a common approach for the Company and provide practical guidance for our managers and employees on the ground.

CSR COMMITTEE :

The Company has already constituted CSR committee comprising of Shri Deepak Batra (Chairman), Shri Alok Goenka & Shri Rajiv Ranka, as the members of the Committee. The committee is responsible for formulating and monitoring the CSR Policy of the Company.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2017

*(Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014)*

To,

THE MEMBERS,

BAJAJ STEEL INDUSTRIES LIMITED

CIN- L27100MH1961PLC011936

C-108, MIDC INDUSTRIAL AREA HINGNA, NAGPUR-440028

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **BAJAJ STEEL INDUSTRIES LIMITED**. (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the **BAJAJ STEEL INDUSTRIES LIMITED'S** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **BAJAJ STEEL INDUSTRIES LIMITED**. ("the Company") for the financial year ended on 31st March, 2018, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Company during the Audit Period);
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not applicable to the Company during the Audit Period);
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the Audit Period);
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and (Not applicable to the Company during the Audit Period);
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the Audit Period);
- (vi) Other laws applicable to the Company, we have relied on the compliance system prevailing in the Company and on the basis of representation received from its concerned department :
 - i) Factories Act, 1948
 - ii) Applicable Labour laws and rules issued thereunder
 - iii) Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013
 - iv) Prevention and Control of Pollution) Act, 1981.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange(s),
- (iii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. The Company is not disclosing the information required under micro, small and medium Enterprises Development Act, 2006.

We further report that, The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

BAJAJ STEEL INDUSTRIES LIMITED

As per the minutes of the meeting duly recorded and signed by the Chairman, The Decisions of the board were unanimous and no dissenting views have been recorded,

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc, having major bearing on the companies affairs.

MANAGEMENT DISCUSSION AND ANALYSIS

FORWARD LOOKING STATEMENTS:

1.Disclaimer:

These financial statements have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013. Our compliance with the requirements of the Companies Act, 2013, IndAS and Generally Accepted Accounting Principles (GAAP) in India. All statements that address expectations or projections about the future, including, but not limited to statements about the company's strategy for growth, product development, market position, expenditures and financial results are forward looking statements. Forward looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward – looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

2.Future Trend & Opportunities:

The Company has expanded new divisions of Electrical Panels and have started higher end panels manufacturing. Further, the pre-engineered steel buildings division has also been expanded and getting good response within and outside India. The growth potentials of both these divisions are very high. The Company is also in the process of expanding its activities in the field of fire-fighting system, transmission equipment such as pulleys and sprockets etc. The Continental Cotton Ginning & Pressing Machinery Division of the Company has well been adopted and various equipments are being supplied to advance countries, such as Australia, Greece, USA etc. apart from substantial supplies to Africa, this is likely to increase further.

INDUSTRY STRUCTURE & DEVELOPMENT:

The Company has following divisions:

1. Bajaj Machinery Division
2. Bajaj Continental Machinery Division
3. Infrastructure Division
4. Electrical Division
5. Superpack Division

Foreign Subsidiary:

1. Bajaj Coneagle LLC, Alabama USA
2. Bajaj Steel Industries (U) Limited, Uganda

The strong vision and dedication of the management and employees has put the Company as one of the biggest manufacturers of Cotton Ginning and Pressing Machineries with distinction of having only company in the world with capabilities for manufacturing Cotton Ginning Machines for all the four major cotton ginning technologies being used in the world and enjoying more than two - thirds of the market share in India while rapidly expanding in the other cotton growing countries of the world. The company also undertakes turnkey projects including civil in its area of operation. One of such project has been completed in Uganda & other has been completed in Benin.

RATING AGAINST BANK FACILITIES:

The CRISIL Ltd has further reviewed and rated in respect of Bank facilities of the Company. The ratings are as under:

Total Bank Loan Facilities Rated	Rs 63.58 Crores
Long - Term Rating	CRISIL BBB-/ Stable (Outlook Revised from 'Negative' and Rating Reaffirmed)
Short- Term Rating	CRISIL A3(Reaffirmed)

EXPORT POTENTIAL OF COMPANY'S PRODUCTS:

The Company is rapidly increasing its exports to United States of America, Australia, Eastern and Western African Countries, and exploring the markets in South American & CIS countries. The equipments made on the basis of drawings received from M/s. Continental Eagle Corporation USA, have been well received by the American and other markets and quality of the same has been appreciated all around. Further, Company has obtained an order for 3 new cotton ginning factories based on Rotobar ginning technology with Egyptian "Cotton, Spinning, Weaving and Garments Holding Company. This project is very prestigious project for your company.

THREATS, RISK AND CONCERNS:

The cotton scenario in the world is in depression mode and the recovery is likely to take some time, therefore the core business of the company in respect of Cotton Ginning & Pressing Machinery is likely to be affected adversely. The Company is trying to compensate this by increase in revenue from other segments such as PEB, Electrical Panels etc. The continuous improvements in the product quality and enhanced sales efforts are likely to balance the performance.

In the current global uncertain economic environment certain risks may gain more prominence either on a standalone basis or when taken together. Your Company has already initiated various actions in this direction by resorting to man power review, cutting unnecessary costs, etc.

The challenges ahead are to find out ways and means to bring down the processing costs and to further increase the productivity and efficiency of machines used for each level of operation in the Ginning & Pressing Factories, Delinting, Decorticating and other items supplied by the Company.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has in place adequate internal control systems and procedures commensurate with the size and nature of business. These procedures are designed to ensure:

1. That all assets and resources are used efficiently and are adequately protected.
2. That all the internal policies and statutory guidelines are complied with; &
3. The accuracy and timing of financial reports and management information is maintained.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES:

Industrial relations remained cordial during the year. Employees' competencies and skills were enhanced by exposing them to several internal and external training programs.

**CORPORATE GOVERNANCE REPORT****1. COMPANY'S PHILOSOPHY ON THE CODE OF GOVERNANCE****Introduction:**

BAJAJ STEEL INDUSTRIES LIMITED

INDEPENDENT AUDITORS' COMPLIANCE CERTIFICATE

TO THE MEMBERS OF BAJAJ STEEL INDUSTRIES LIMITED

We have examined the compliance of Corporate Governance by BAJAJ STEEL INDUSTRIES LIMITED ("the Company") for the year ended on March 31, 2018, as stipulated in Regulation 17 to 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of the Corporate Governance is the responsibility of the Management. Our examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant and as per the Guidance Note on Certification of Corporate Governance issued by the institute of Chartered Accountants of India.

In our opinion and to the best of our information and according to our examination of the relevant records and the explanations given to us and the representation made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulation 17 to 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, during the year ended March 31, 2018.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

STANDALONE

FINANCIAL STATEMENTS

FOR THE YEAR ENDED

31ST MARCH, 2018

AUDITOR'S REPORT (STANDALONE)

To the Members of M/s Bajaj Steel Industries Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **M/s BAJAJ STEEL INDUSTRIES LIMITED** ('the Company'), which comprise the balance sheet as at 31 March 2018, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis of Qualified Opinion

The company is not disclosing the information required under micro, small and medium Enterprises Development Act, 2006 [Note 36]

Opinion

In our opinion and to the best of our information and according to the explanations given to us *except for the effects of matter described in the Basis of Qualified Opinion paragraph*, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31, March 2018 and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

In view of the management's opinion, no provisioning for impairment of assets is required to be done in respect of the company's investment in its wholly owned subsidiary M/s Bajaj Coneagle LLC, USA amounting to USD 1668000 (equivalent to Rs.10.26 crs). [Refer Note 26(b)]. Further with effect from 1st January, 2018 the Steel Division of the Company has changed its method of accounting from Written Down Value Method (WDV) to Straight Line Method (SLM) [Refer Note 34]

Our opinion is not modified in respect of the said matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified

in the paragraph 3 and 4 of the order.

2. . As required by Section 143 (3) of the Act, we report that:
- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - (d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) on the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The financial statements has, to the extent ascertainable, disclosed the impact of pending litigations on the consolidated financial position of the Company – Refer Note 25 to the financial statements; ;
 - ii. the Company does not have any material foreseeable losses on long term contracts including derivative contracts which would impact its financial position;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

BAJAJ STEEL INDUSTRIES LIMITED

ANNEXURE - A TO THE AUDITORS' REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2018, we report that:

- (i) (a) According to the information and explanations given to us proper records showing full Particulars including quantitative details and situation of fixed assets is being maintained by the company.
- b) According to the information and explanation given to us, all the fixed assets including capital work in progress have not been physically verified by the management during the year nor there is a regular program of verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) According to the information and explanations given to us, the management has conducted physical verification of inventory at reasonable intervals during the year which, in our opinion, is reasonable having regard to the size of the company and nature of its business. No material discrepancies were noticed on such verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms or parties covered in the register maintained u/s 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and securities made by the company.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 (as amended).
- (vi) As certified by a Cost Accountant, the Company has maintained Cost records for the year under review, as prescribed under sub section (1) of section 148 of the Companies Act, 2013 to the extent applicable to the Company. We have however, not made a detailed examination of such records.
- (vii) (a) According to the records of the company, the company is generally regular

in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, and no such statutory dues were outstanding as at the last day of the financial year under review for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no dues of income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess, as applicable, which have not been deposited on account of any dispute except as detailed in Annexure-I.

- (viii) In our opinion and according to the information and explanations given to us, the Term loans have been applied for the purpose for which they were obtained.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year under review.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees have been noticed or reported during the year.
- (xi) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act and the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our

BAJAJ STEEL INDUSTRIES LIMITED

examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him.

- (xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

BAJAJ STEEL INDUSTRIES LIMITED

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s Bajaj Steel Industries Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to

provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTSEPORT

1. CORPORATE INFORMATION

Bajaj Steel Industries Limited (“the Company”) is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (“BSE”) and Calcutta Stock Exchange (“CSE”). The registered office of the company is situated at C-108, MIDC Industrial Area, Nagpur – 440 028.

The principal business activities of the company is manufacturing of Cotton ginning and Pressing Machineries, Pre fabricated building structure, components and allied products, which it handles it from its “Steel division” and manufacturing of Master Batches which it handles from its “Plastic division”. Presently, all the manufacturing facilities of the company are in the state of Maharashtra.

The company has wholly owned subsidiaries in the state of Alabama, USA and Uganda.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements (Separate financial statements) have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013.

For all periods up to and including the year ended 31st March 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (previous GAAP). These financial statements for the year ended 31st March 2018 are the first the Company has prepared in accordance with Ind AS. Refer to note 3 for an explanation of how the transition from previous GAAP to Ind AS has effected presentation of company’s financial position, financial performance and cash flows.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The financial statements are presented in Indian Rupees (“INR” or “₹”) and all amounts are rounded to the nearest lacs, except as stated otherwise.

2.2 Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of

revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note 2.22. Accounting estimates could change from period to period. Actual results may differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- o Expected to be realised or intended to be sold or consumed in normal operating cycle
- o Held primarily for the purpose of trading
- o Expected to be realised within twelve months after the reporting period, or
- o Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- o It is expected to be settled in normal operating cycle
- o It is held primarily for the purpose of trading
- o It is due to be settled within twelve months after the reporting period, or
- o There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.4 Property, Plant and Equipment

Freehold/Leasehold land and capital work-in-progress is carried at cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition, borrowing costs (wherever applicable). Subsequent costs are included in the asset's carrying amount or

recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

The expenditure including Pre-operative expenditure, incurred during the period of construction is charged to capital work-in-progress and on completion the cost is allocated to the respective fixed assets.

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation on property, plant and equipment is calculated using the written Down Value Method to allocate their cost, net of their residual values, over their estimated useful lives. However, with effect from 1st January 2018, the Steel Division of the company has changed the method of providing depreciation from Written Down Value (WDV) Method to Straight Line Method (SLM) The useful lives estimated for the major classes of property, plant and equipment are as follows:

Class of property, plant and equipment	Useful life (in years)
Buildings	30-60
Plant & Machinery	8-15
Furniture & Fixtures	10
Vehicles	8-10
Electrical Installations	10
Computer Hardware (Including Software)	3-6
Other Equipments and facilities	5

The useful lives have been determined based on technical evaluation done by the management's experts, which is same as the lives as specified by Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost/deemed cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the statement of profit and loss when the asset is derecognised.

**2.5 Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment loss.

On transition to Ind AS, the company has elected to continue with the carrying value of all its intangible assets recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised on a Written Down Value Method over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period and adjusted, if appropriate. The depreciation on all the intangible assets i.e. Technical Knowhow and Patents are charged on the basis of useful life as decided by the management.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually.

2.6 Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

Non-current assets classified as held for sale and their related liabilities are presented separately in the balance sheet. Non-current assets are not depreciated or amortised while they are classified as held for sale.

2.7 Inventories

Raw Materials, Stores, Spares and Fuel are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on FIFO basis.

Semi finished goods and finished goods are valued at lower of cost and net realizable value except non prime/off grade Master batches which is valued at Net Realisable value. Cost includes direct materials and a proportion of labour and manufacturing overheads based on operation of the relevant financial year. Scrap is valued at estimated realisable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.8 Cash and Cash Equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits maturing within twelve months from the date of balance Sheet, which are subject to an insignificant risk of changes in value. Bank overdrafts are shown under borrowings in the balance sheet.

2.9 Financial Instruments

A. Financial Instruments - Initial recognition and measurement

Financial assets and financial liabilities are recognised in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B.1. Financial assets –Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

a. Financial assets at fair value through profit or loss

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

b. Financial assets measured at amortised cost

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables generally do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

c. Financial assets at fair value through OCI

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The company makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the company decides to designate an equity instrument at fair value through

OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

B.2. Financial assets –Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

C. *Investment in subsidiaries, joint ventures and associates*

Investments made by the company in subsidiaries, joint ventures and associates are measured at cost in the separate financial statements of the company.

D.1. *Financial liabilities –Subsequent measurement*

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

a. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.

b. Financial liabilities measured at amortised cost

Interest bearing loans and borrowings taken by the company are subsequently measured at amortised cost using the effective interest rate method (EIR). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortised is included in finance costs in the statement of profit and loss.

D.2. *Financial liabilities –Derecognition*

A financial liability is derecognised when the obligation under the liability is discharged or expires.

E. Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position, if and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

F. Fair value measurement

The company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company.

The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.10 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is received. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes, duties or other charges collected on behalf of the government/authorities.

The specific recognition criteria for the various types of the company's activities are described below:

Sale of Goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods and the amount of revenue can be measured reliably.

Sale of Services

Revenue from sale of services is recognised as per the terms of the contract with buyer based on stage of completion when the outcome of the transactions involving rendering of services can be estimated reliably. Percentage of completion method requires the Company to estimate the services performed to date as a proportion of the total services to be performed.

Other Operating Income

Incentives on exports and other Government incentives related to operations are recognised in the statement of profit & loss on receipt of such incentives.

Interest income

Interest income from debt instruments (including Fixed Deposits) is recognised using the effective interest rate method. The effective interest rate is that rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the company estimates the expected cash

flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Other Income

Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

2.11 Foreign currency transactions

Foreign currency transactions are translated into Indian rupee using the exchange rates prevailing on the date of the transaction. Foreign exchange gains and losses resulting from the settlement of these transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

2.12 Employee benefits

Short Term employee benefits

Liabilities for wages, salaries and other employee benefits that are expected to be settled within twelve months of rendering the service by the employees are classified as short term employee benefits. Such short term employee benefits are measured at the amounts expected to be paid when the liabilities are settled.

Post employment benefits

(a) Defined contribution plans

The company pays provident fund contribution to publicly administered provident funds as per the local regulations. The contributions are accounted for as defined contribution plans and are recognised as employee benefit expense when they are due.

(b) Defined benefit plans

The liabilities recognised in the balance sheet in respect of defined benefit plan, namely gratuity and leave pay, are the present value of the defined benefit obligation at the end of the year less the fair value of plan assets, if any. The defined benefit obligation is calculated by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in the retained earnings in the statement of changes in equity and in the balance sheet.

2.13 Finance Costs

Borrowing costs that are attributable to ongoing capital expenditure of the company are charged to property, plant and equipment as a part of the cost of such capitalisation.

Other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

2.14 Leases

A lease is classified at the inception date as a finance lease or an operating lease.

A lease that transfers substantially all the risks and rewards incidental to ownership to the company is classified as a finance lease. Finance leases are capitalised at the commencement of the lease at the inception date at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company are classified as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the payments are structured to increase in line with expected general inflation.

2.15 Taxes

Current Tax

The current tax expense for the period is determined as the amount of tax payable in respect of taxable income for the period, based on the applicable income tax rates.

Current tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and, the carry forward of unused tax credits and any unused tax losses. Deferred tax

assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted at the reporting date.

Deferred tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

2.16 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the company has present determined obligations as a result of past events and an outflow of resources embodying economic benefits will be required to settle the obligations. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is not recognised but disclosed in the notes to the accounts, unless the probability of an outflow of resources is remote.

A contingent asset is generally neither recognised nor disclosed.

2.17 Earnings per share

The Basic earnings per share (EPS) is calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted earnings per share, the net profit or loss for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.18 Customs

Liability on account of Customs Duty on Imported materials is accounted in the year in which the goods are cleared from customs.

2.19 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the company, on or before the end of the reporting period but not distributed at the end of the reporting period.

**2.20 Exceptional items**

Exceptional items refer to items of income or expense within statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the company.

2.21 Impairment of assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

2.22 Critical accounting estimates*Property, plant and equipment*

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Intangible assets

The company tests whether intangible assets have suffered any impairment on an annual basis. The recoverable amount of a cash generating unit is determined based on value in use calculations which require the use of assumptions.

Recoverability of Trade Receivable and provision for the same

Judgements are required in assessing the recoverability of overdue trade receivables

and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment. The provision for debtors is done for those debtors which are outstanding for more than three years.

3 First time adoption of Ind AS

These separate financial statements of Bajaj Steel Industries Limited for the year ended March, 31, 2018 have been prepared in accordance with Ind AS. For the purposes of transition to Ind AS, the Company has followed the guidance prescribed in Ind AS 101 - First Time adoption of Indian Accounting Standard, with 1st April, 2016 as the transition date and Indian GAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes there to and accounting policies and principles. The accounting policies set out in Note 2 have been applied in preparing the separate financial statements for the year ended 31st March, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has effected the Company's Balance Sheet, Statement of Profit and Loss is explained in note 3.2 . Exemptions on first time adoption of Ind AS availed in accordance with Ind AS 101 have been set out in note 3.1.

3.1 Exemptions availed on first time adoption

Ind-AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has accordingly applied the following exemptions.

(a) Estimates

Ind AS 101 provides that an entity's estimates as per Ind AS 8 " Accounting Policies, Changes in Accounting Estimates and Errors" at the date of transition shall be consistent with the estimates made for same date in accordance with previous GAAP, unless there is objective evidence that those estimates were in error.

Accordingly, the company has made Ind AS estimates as at the transition date i.e. 1st April 2016 which are consistent with estimates made by it under the previous GAAP for the same date. The company made estimates for following items in accordance with Ind AS at the date of transition since these were not required under previous GAAP :

- i) Investment in equity instruments designated at Fair Value through OCI
- ii) Impairment of financial assets based on expected credit loss model

(b) Deemed Cost

Ind AS 101 provides an option under Ind AS 16 " Property, Plant and Equipment", to continue with the carrying value of all its property, plant and equipment as recognised in financial statements as on transition date, measured as per the

previous GAAP and use that as its deemed cost after making necessary adjustments for de-commissioning liabilities instead of measuring at fair value on the transition date. This exemption can also be used for intangible assets covered by Ind AS 38 "Intangible Assets.

The company has elected to measure all of its property, plant and equipment and intangible assets as on the transition date at their previous GAAP carrying value.

(c) Investment in subsidiaries

Ind AS 101 provides an option under Ind AS 27 "Separate Financial Statements", to continue with the previous GAAP carrying amount in respect of an entity's investment in subsidiaries in the entity's separate financial statements.

The company has accordingly elected to measure such investments in subsidiaries as on the transition date at their previous GAAP carrying value.

3.2 Reconciliations between previous GAAP and Ind AS

The following reconciliations provide the effect of transition to Ind AS from previous GAAP in accordance with Ind AS 101

a) Equity as at 1st April, 2016 and as at 31st March, 2017

b) Net Profit for the year ended 31st March, 2017.

a) Reconciliation of Equity as at 1st April, 2016 and as at 31st March, 2017.

	Notes to first time adoption	AS AT 31.03.2017	AS AT 31.03.2017
		₹	₹

Deferred Tax adjustments	3	(22)
Others	-	-
Total comprehensive income as per Ind AS		(942)

- c) There are no material adjustments to the statements of cash flows as reported under the previous GAAP.

d) Notes to first time adoption

Note 1 : Change in Fair valuation of Financial Instruments

Under the previous GAAP, investments in equity instruments and mutual fund were classified as long term investments or current investments based on the intended holding period and realisation. Long -term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value at each reporting period. The resulting fair value changes of these investments (other than equity instruments designated at fair value through OCI) have been recognised in retained earnings as at the date of transition and subsequently in the profit or loss for the year ended 31st March, 2017.

Fair value changes with respect to investments in equity instrument designated fair value through OCI have been recognised in Equity Investment Reserve as at the date of transition and subsequently in other comprehensive income for the year ended 31st March 2017. This increased other reserve by ₹ 20.44 Lacs as at 31st March, 2017 (1 April, 2016 ₹ 56.52 Lacs)

Consequent to the above, the total equity as at 31st March, 2017 increased by ₹ 20.44 Lacs (1 April, 2016 ₹ 56.52 Lacs) and total comprehensive income for the year ended 31st March 2017 increased by ₹ 37.48 Lacs.

Note 2 : Provision for doubtful debts

Under the previous GAAP, the management had provided for doubtful debts based on its assessment of recoverability from the debtors. Ind AS requires the company to make provision for doubtful debts based on the expected credit loss model. Upon transition to Ind AS, the company has applied the expected credit loss model and has reworked the quantum of provision for doubtful debts. The differential figures as on 1st April, 2016 amounting to Rs.50.47 Lacs has been adjusted in retained earnings and the differential amount for the year ended 31st March, 2017 amounting to Rs.48.86 Lacs has been charged to the statement of profit and loss for the said year.

Note 3 : Deferred Tax Adjustments

Tax adjustments relating to above adjustments are recognised and adjusted in retained earnings on the date of transition. Deferred tax adjustments relating to the year ended 31st March, 2017 have been adjusted in the statement of profit and loss for the said year.

b) Terms/rights attached to Equity Shares

The company has only one class of equity shares having a par value of ₹10/- per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts.

The distribution will be in proportion to the number of equity shares held by the shareholders.

c) The Board of Directors, in its meeting on 30th May, 2018, have proposed a final dividend of ₹ 3/- per equity share for the financial year ended 31st March 2018. The proposal is subject to the approval of the shareholders at the Annual General Meeting to be held and if approved, would result in a cash outflow of approximately ₹ 84.21 lacs including corporate dividend tax.

Nature of Reserves**Securities Premium**

Security Premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

General Reserve

The General reserve is used from time to time for transfer of profits from surplus in statement of Profit and Loss for appropriation purposes.

Capital Reserve

This reserve represents the subsidy from Government and amount received upon reissue of forfeited shares and upon forfeiture of share warrants.

Equity Investment Reserve

This reserve represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, net off amounts reclassified to retained earnings when those assets have been disposed off.

NOTES TO THE ACCOUNTS.....

24. EARNINGS PER SHARE

2017-2018

2016-2017

The "Earnings per share (EPS)" has been calculated as specified in IND AS-33 on "Earning per share" prescribed by Companies (Accounting Standards) Rules, 2015 and related disclosures are as below,

For Calculating Basic and Diluted earning per share

a) Profits attributable to equity holders of the company	900	(942)
b) Weighted average number of equity shares used as the denominator in calculating EPS (No)	23,50,000	23,50,000
c) Basic and Diluted EPS [a/b]	38.31	(40.11)

25 COMMITMENTS AND CONTINGENCIES

a. Other Commitments

Estimated amount of contracts to be executed on Capital accounts and not provided for ₹124.14 Lacs (P.Y. Nil), advance there against ₹29.51 Lacs (P.Y.Nil).

b. Contingent liabilities

Contingent liabilities (not provided for) in respect of :- (₹In Lacs)	2017-2018 (₹ in lacs)	2016-2017 (₹ in lacs)
a) Excise duty	93.43	93.43
b) Customs Duty	136.6	136.60
c) Sales Tax	21.04	21.04
d) Entry Tax	0.50	0.50

26 (a) On the basis of physical verification of assets, as specified in Ind AS - 36 and cash generating capacity of those assets, in the management perception there is no impairment of such assets as appearing in the balance sheet as on 31.03.2018.

(b) The company has invested USD 1668000 (equivalent to ₹ 10.26 crs) in its wholly owned subsidiary M/s. Bajaj Coneagle LLC, USA. In spite of operating at decent gross profit margin, the said subsidiary had been incurring substantial losses every year since its incorporation till FY-2016-17, primarily due to low demand. However, now the subsidiary is well recognised in the local market and getting good orders and has made some profit in F.Y. 2017-18 and the overhead costs is also being considerably reduced. The Management expects that the subsidiary will be earning sizeable profits and the entire accumulated losses will be recovered by the end of F.Y. 2019-20 and that the subsidiary will start giving profits in the future years thereafter. In view of this, no provisioning of Impairment of assets, as per Ind AS - 36 is being considered in the accounts.

27 Certain Balances under Advance from Customers, Trade Payables, Capital Advances, Trade Receivables and Advances Recoverable in cash or in kind or value to be received are subject to Confirmation.

Management estimations and assumptions

a) The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

b) The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

(i) The fair values of the quoted shares and unquoted mutual funds are based on NAVs at the reporting date.

(ii) The fair values of the unquoted equity shares have been determined based on certifications from valuers who have used Net Asset Value approach for determining the fair values.

**NOTES TO THE ACCOUNTS.....****28.2 Fair value hierarchy**

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis : (₹ in lacs)

Particulars	Note Reference	Fair value measurement at end of the reporting period/year using			
		Level 1	Level 2	Level 3	Level 4
As on 31st March, 2018

Mutual funds	11.1	340	-	-	340
Equity Instruments (other than subsidiary, Joint ventures)	0	-	-	68	68

Level 1: Quoted Prices in active markets for identical assets or liabilities

Level 2 : Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The company's policy is to recognize transfers into and the transfers out of fair value hierarchy levels as at the end of the reporting period. There are no transfers between level 1 and level 2 during the end of the reported periods.

28.3 Financial Risk Management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to various financial risks: market risk, credit risk and liquidity risk. The company tries to foresee the unpredictable nature of financial markets and seek to minimise potential adverse impact on its financial performance. The senior management of the company oversees the management of these risks. The Audit Committee has additional oversight in the area of financial risks and controls. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.

**29. CAPITAL MANAGEMENT**

The following are the objectives of Capital management policy of the company:

- (i) Safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and
- (ii) Maintain an optimal capital structure to reduce the cost of capital

As a part of capital management strategy, the company may adjust the amount of dividends paid to shareholders, issue new shares, raise debt capital or sell assets to reduce debt. The company monitors capital basis a gearing ratio which is calculated by dividing the total borrowings by total equity. The company's strategy is to maintain a gearing ratio as possible as lower. In order to achieve this overall objective, the company ensures to meet its financial covenants attached to the interest bearing loans and borrowings. There have never been any breaches in financial covenants of any interest bearing loans and borrowings in the past and also in the current period.

30. RELATED PARTY TRANSACTIONS

CONSOLIDATED

FINANCIAL STATEMENTS

FOR THE YEAR ENDED

31ST MARCH, 2018

AUDITOR'S REPORT

To the Members of M/s BAJAJ STEEL INDUSTRIES LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of M/s **BAJAJ STEEL INDUSTRIES LIMITED** (here in after referred to as Company) and its foreign subsidiaries (the Company and its subsidiaries together referred to as "the group") which comprises the consolidated Balance Sheet as at March 31, 2018, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement

of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis of Qualified Opinion

The company is not disclosing the information required under micro, small and medium Enterprises Development Act, 2006 [Note 36]

Opinion

In our opinion and to the best of our information and according to the explanations given to us *except for the effects of matter described in the Basis of Qualified Opinion paragraph*, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at 31st March, 2018, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

In view of the management's opinion, no provisioning for impairment of assets is required to be done in respect of the company's investment in its wholly owned subsidiary M/s Bajaj Coneagle LLC, USA amounting to USD 1668000 (equivalent to Rs.10.26 crs). [Refer Note 26(b)]. Further with effect from 1st January, 2018 the Steel Division of the Company has changed its method of accounting from Written Down Value Method (WDV) to Straight Line Method (SLM) [Refer Note 34]

Other Matters

We did not audit the financial statement of the subsidiary companies. The financial statements of the subsidiary companies are not required to be audited under the law of the country where the subsidiary companies operates. Hence, our review is based on the duly certified financial statement of the subsidiary companies received from the Management.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
 - c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) in our opinion, the aforesaid consolidated financial Statement comply with the Accounting Standards notified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) on the basis of written representations received from the directors of the Holding Company as on March 31, 2018, and taken on record by the Board of Directors of the Holding Company none of the directors of the Group Companies is disqualified as on March 31, 2018, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013;
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The consolidated financial statements has, to the extent ascertainable, disclosed the impact of pending litigations on the consolidated financial position of the Group, - Refer Note 25 to the financial statements;
 - b. There are no provisions, as required under the applicable law or accounting standards, that need to be made for material foreseeable losses or on long-term contracts including derivative contracts.

BAJAJ STEEL INDUSTRIES LIMITED

- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company.

BAJAJ STEEL INDUSTRIES LIMITED
ANNEXURE - A TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s Bajaj Steel Industries Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

Bajaj Steel Industries Limited ("the Company") is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange ("BSE") and Calcutta Stock Exchange ("CSE"). The registered office of the company is situated at C-108, MIDC Industrial Area, Nagpur - 440 028.

The principal business activities of the company is manufacturing of Cotton ginning and Pressing Machineries, Pre fabricated building structure, components and allied products, which it handles it from its "Steel division" and manufacturing of Master Batches which it handles from its "Plastic division". Presently, all the manufacturing facilities of the company are in the state of Maharashtra.

The company has wholly owned subsidiaries in the state of Alabama, USA and Uganda.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation- for Indian Company

The financial statements (Separate financial statements) have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013.

For all periods up to and including the year ended 31st March 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (previous GAAP). These financial statements for the year ended 31st March 2018 are the first the Company has prepared in accordance with Ind AS. Refer to note 3 for an explanation of how the transition from previous GAAP to Ind AS has effected presentation of company's financial position, financial performance and cash flows.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The financial statements are presented in Indian Rupees ("INR" or "₹") and all amounts are rounded to the nearest lacs, except as stated otherwise.

2.1(b) Basis of preparation- For Foreign Subsidiaries

- a) The financial statements of Bajaj Coneagle LLC are prepared as per US GAAP.
- b) The financial Statements of Bajaj Steel Industries (U) Ltd. are prepared as per International Accounting Standard of Uganda.

Principles of Consolidation

The Consolidated Financial Statements include the financial statements of Bajaj Steel Industries Limited and its subsidiaries. The Consolidated Financial Statements of the Group have been prepared in accordance with Accounting Standard AS - 21 'Consolidated Financial Statements', issued by the Institute of Chartered Accountants of India ('ICAI') and notified pursuant to the Companies (Accounting Standards) Rules, 2006. The Consolidated Financial Statements are prepared on the following basis:

- i) Consolidated Financial Statements normally include consolidated Balance Sheet, consolidated statement of Profit & Loss, consolidated statement of Cash flows and notes to the Consolidated Financial Statements that form an integral part thereof. The Consolidated Financial Statements are presented, to the extent possible, in the same format as that adopted by the parent for standalone financial statements.
- ii) The Consolidated Financial Statements include the financial statements of the Company and its subsidiaries.
- iii) The Consolidated Financial Statements have been combined on a line-by-line basis by adding the book values of like items of assets, liabilities, income and expenses after eliminating inter-group balances / transactions and resulting elimination of unrealised profits in full. The amounts shown in respect of Foreign Currency Translation Reserve denotes the accumulated resulting exchange differences on consolidation of the foreign subsidiaries.
- iv) Notes to the Consolidated Financial Statements represents notes involving items which are considered material and are accordingly duly disclosed. Materiality for the purpose is assessed in relation to the information contained in the Consolidated Financial Statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and / or a parent having no bearing on the true and fair view of the Consolidated Financial Statements have not been disclosed in the Consolidated Financial Statements.

2.2 Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note 2.22. Accounting estimates could change from period to period. Actual results may differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- o Expected to be realised or intended to be sold or consumed in normal operating cycle
- o Held primarily for the purpose of trading
- o Expected to be realised within twelve months after the reporting period, or
- o Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- o It is expected to be settled in normal operating cycle
- o It is held primarily for the purpose of trading
- o It is due to be settled within twelve months after the reporting period, or
- o There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.4 Property, Plant and Equipment

Freehold/Leasehold land and capital work-in-progress is carried at cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition, borrowing costs (wherever applicable). Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

The expenditure including Pre-operative expenditure, incurred during the period of construction is charged to capital work-in-progress and on completion the cost is allocated to the respective fixed assets.

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation on property, plant and equipment is calculated using the written Down Value Method to allocate their cost, net of their residual values, over their estimated useful lives. However, with effect from 1st January 2018, the Steel Division of the company has changed the method of providing depreciation from Written Down Value (WDV) Method to Straight Line Method (SLM) The useful lives estimated for the major classes of property, plant and equipment are as follows:

Class of property, plant and equipment	Useful life (in years)
Buildings	30-60
Plant & Machinery	8-15
Furniture & Fixtures	10
Vehicles	8-10
Electrical Installations	10
Computer Hardware (Including Software)	3-6
Other Equipments and facilities	5

The useful lives have been determined based on technical evaluation done by the management's experts, which is same as the lives as specified by Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost/deemed cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the statement of profit and loss when the asset is derecognised.

2.5 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment loss.

On transition to Ind AS, the company has elected to continue with the carrying value of all its intangible assets recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised on a Written Down Value Method over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period and adjusted, if appropriate. The depreciation on all the intangible assets i.e. Technical Knowhow and Patents are charged on the basis of useful life as decided by the management.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually.

2.6 Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

Non-current assets classified as held for sale and their related liabilities are presented separately in the balance sheet. Non-current assets are not depreciated or amortised while they are classified as held for sale.

2.7 Inventories

Raw Materials, Stores, Spares and Fuel are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on FIFO basis.

Semi finished goods and finished goods are valued at lower of cost and net realizable value except non prime/off grade Master batches which is valued at Net Realisable value. Cost includes direct materials and a proportion of labour and manufacturing overheads based on operation of the relevant financial year.

Scrap is valued at estimated realisable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.8 Cash and Cash Equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits maturing within twelve months from the date of balance Sheet, which are subject to an insignificant risk of changes in value. Bank overdrafts are shown under borrowings in the balance sheet.

2.9 Financial Instruments

A. Financial Instruments - Initial recognition and measurement

Financial assets and financial liabilities are recognised in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B.1. Financial assets –Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

a. Financial assets at fair value through profit or loss

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

b. Financial assets measured at amortised cost

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables generally do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

c. Financial assets at fair value through OCI

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The company makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the company decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

B.2. Financial assets –Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the

risks and rewards of ownership of the asset.

Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

C. Investment in subsidiaries, joint ventures and associates

Investments made by the company in subsidiaries, joint ventures and associates are measured at cost in the separate financial statements of the company.

D.1. Financial liabilities –Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

- a. Financial liabilities at fair value through profit or loss
Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.
- b. Financial liabilities measured at amortised cost
Interest bearing loans and borrowings taken by the company are subsequently measured at amortised cost using the effective interest rate method (EIR). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortised is included in finance costs in the statement of profit and loss.

D.2. Financial liabilities –Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or expires.

E. Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position, if and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

F. Fair value measurement

The company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company.

The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.10 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will

flow to the Company and the revenue can be reliably measured, regardless of when the payment is received. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes, duties or other charges collected on behalf of the government/authorities.

The specific recognition criteria for the various types of the company's activities are described below:

Sale of Goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods and the amount of revenue can be measured reliably.

Sale of Services

Revenue from sale of services is recognised as per the terms of the contract with buyer based on stage of completion when the outcome of the transactions involving rendering of services can be estimated reliably. Percentage of completion method requires the Company to estimate the services performed to date as a proportion of the total services to be performed.

Other Operating Income

Incentives on exports and other Government incentives related to operations are recognised in the statement of profit & loss on receipt of such incentives.

Interest income

Interest income from debt instruments (including Fixed Deposits) is recognised using the effective interest rate method. The effective interest rate is that rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Other Income

Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

2.11 Foreign currency transactions

Foreign currency transactions are translated into Indian rupee using the exchange rates prevailing on the date of the transaction. Foreign exchange gains and losses resulting from the settlement of these transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

2.12 Employee benefits***Short Term employee benefits***

Liabilities for wages, salaries and other employee benefits that are expected to be settled within twelve months of rendering the service by the employees are classified as short term employee benefits. Such short term employee benefits are measured at the amounts expected to be paid when the liabilities are settled.

Post employment benefits

(a) Defined contribution plans

The company pays provident fund contribution to publicly administered provident funds as per the local regulations. The contributions are accounted for as defined contribution plans and are recognised as employee benefit expense when they are due.

(b) Defined benefit plans

The liabilities recognised in the balance sheet in respect of defined benefit plan, namely gratuity and leave pay, are the present value of the defined benefit obligation at the end of the year less the fair value of plan assets, if any. The defined benefit obligation is calculated by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in the retained earnings in the statement of changes in equity and in the balance sheet.

2.13 Finance Costs

Borrowing costs that are attributable to ongoing capital expenditure of the company are charged to property, plant and equipment as a part of the cost of such capitalisation. Other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

2.14 Leases

A lease is classified at the inception date as a finance lease or an operating lease.

A lease that transfers substantially all the risks and rewards incidental to ownership to the company is classified as a finance lease. Finance leases are capitalised at the commencement of the lease at the inception date at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company are classified as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis

over the lease term, unless the payments are structured to increase in line with expected general inflation.

2.15 Taxes

Current Tax

The current tax expense for the period is determined as the amount of tax payable in respect of taxable income for the period, based on the applicable income tax rates. Current tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted at the reporting date.

Deferred tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

2.16 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the company has present determined obligations as a result of past events and an outflow of resources embodying economic benefits will be required to settle the obligations. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is not recognised but disclosed in the notes to the accounts, unless the probability of an outflow of resources is remote.

A contingent asset is generally neither recognised nor disclosed.

2.17 Earnings per share

The Basic earnings per share (EPS) is calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted earnings per share, the net profit or loss for the year attributable to the equity shareholders and the weighted average number of equity

shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.18 Customs

Liability on account of Customs Duty on Imported materials is accounted in the year in which the goods are cleared from customs.

2.19 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the company, on or before the end of the reporting period but not distributed at the end of the reporting period.

2.20 Exceptional items

Exceptional items refer to items of income or expense within statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the company.

2.21 Impairment of assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

2.22 Critical accounting estimates***Property, plant and equipment***

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Intangible assets

The company tests whether intangible assets have suffered any impairment on an annual basis. The recoverable amount of a cash generating unit is determined based on value in use calculations which require the use of assumptions.

***Recoverability of Trade Receivable and provision for the same***

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment. The provision for debtors is done for those debtors which are outstanding for more than three years.

3 First time adoption of Ind AS

These separate financial statements of Bajaj Steel Industries Limited for the year ended March, 31, 2018 have been prepared in accordance with Ind AS. For the purposes of transition to Ind AS, the Company has followed the guidance prescribed in Ind AS 101 - First Time adoption of Indian Accounting Standard, with 1st April, 2016 as the transition date and Indian GAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes there to and accounting policies and principles. The accounting policies set out in Note 2 have been applied in preparing the separate financial statements for the year ended 31st March, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has effected the Company's Balance Sheet, Statement of Profit and Loss is explained in note 3.2 . Exemptions on first time adoption of Ind AS availed in accordance with Ind AS 101 have been set out in note 3.1.

3.1 Exemptions availed on first time adoption

Ind-AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has accordingly applied the following exemptions.

(a) Estimates

Ind AS 101 provides that an entity's estimates as per Ind AS 8 " Accounting Policies, Changes in Accountitng Estimates and Errors" at the date of transition shall be consistent with the estimates made for same date in accordance with previous GAAP, unless there is objective evidence that those estimates were in error.

Accordingly, the company has made Ind AS estimates as at the transition date i.e. 1st April 2016 which are consistent with estimates made by it under the previous GAAP for the same date. The company made estimates for following items in accordance with Ind AS at the date of transition since these were not required under previous GAAP :

- i) Investment in equity instruments designated at Fair Value through OCI
- ii) Impairment of financial assets based on expected credit loss model

b) Deemed Cost

Ind AS 101 provides an option under Ind AS 16 " Property, Plant and Equipment", to continue with the carrying value of all its property, plant and equipment as recognised in financial statements as on transition date, measured as per the previous GAAP and use that as its deemed cost after making necessary adjustments for de-commissioning liabilities instead of measuring at fair value on the transition date. This exemption can also be used for intangible assets covered by Ind AS 38 "Intangible Assets.

The company has elected to measure all of its property, plant and equipment and intangible assets as on the transition date at their previous GAAP carrying value.

**c) Investment in subsidiaries**

Ind AS 101 provides an option under Ind AS 27 "Separate Financial Statements", to continue with the previous GAAP carrying amount in respect of an entity's investment in subsidiaries in the entity's separate financial statements.

The company has accordingly elected to measure such investments in subsidiaries as on the transition date at their previous GAAP carrying value.

3.2 Reconciliations between previous GAAP and Ind AS

The following reconciliations provide the effect of transition to Ind AS from previous GAAP in accordance with Ind AS 101

a) Equity as at 1st April, 2016 and as at 31st March, 2017

b) Net Profit for the year ended 31st March, 2017.

a) Reconciliation of Equity as at 1st April, 2016 and as at 31st March, 2017.

	Notes to first time adoption	As at 31 March 2017 ₹	As at 01 April 2016 ₹
Equity under previous GAAP		5,569	6,450
Adjustments:-			
Change in Fair valuation of Financial Instruments	1	20	57
Provision for doubtful debts	2	(2)	(50)
Deferred tax adjustmetns	3	42	65
Others		23	(1)
Equity under Ind AS		<u>5,652</u>	<u>6,521</u>

b) Reconciliation of total comprehensive income for the year ended 31 March, 2017

	Notes to first time adoption	2016 -2017 ₹
Profit/(loss) after tax as per previous GAAP		(903)
Adjustments		.
Change in Fair valuation of Financial Instruments	1	(36)
Provision for doubtful debts	2	49
Deferred Tax adjustments	3	(23)
Others		
Total comprehensive income as per Ind AS		<u>(913)</u>

c) There are no material adjustments to the statements of cash flows as reported under the previous GAAP.

**d) Notes to first time adoption****Note 1 : Change in Fair valuation of Financial Instruments**

Under the previous GAAP, investments in equity instruments and mutual fund were classified as long term investments or current investments based on the intended holding period and realisation. Long -term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value at each reporting period. The resulting fair value changes of these investments (other than equity instruments designated at fair value through OCI) have been recognised in retained earnings as at the date of transition and subsequently in the profit or loss for the year ended 31st March, 2017.

Fair value changes with respect to investments in equity instrument designated fair value through OCI have been recognised in Equity Investment Reserve as at the date of transition and subsequently in other comprehensive income for the year ended 31st March 2017. This increased other reserve by ₹ 20.44 Lacs as at 31st March, 2017 (1 April,2016 ₹ 56.52 Lacs)

Consequent to the above, the total equity as at 31st March, 2017 increased by ₹ 20.44 Lacs (1 April,2016 ₹ 56.52 Lacs) and total comprehensive income for the year ended 31st March 2017 increased by ₹ 37.48 Lacs.

Note 2 : Provision for doubtful debts

Under the previous GAAP, the management had provided for doubtful debts based on its assessment of recoverability from the debtors. Ind AS requires the company to make provision for doubtful debts based on the expected credit loss model. Upon transition to Ind AS, the company has applied the expected credit loss model and has reworked the quantum of provision for doubtful debts. The differential figures as on 1st April, 2016 amounting to ₹50.47 Lacs has been adjusted in retained earnings and the differential amount for the year ended 31st March, 2017 amounting to ₹ 48.86 Lacs has been charged to the statement of profit and loss for the said year.

Note 3 : Deferred Tax Adjustments

Tax adjustments relating to above adjustments are recognised and adjusted in retained earnings on the date of transition. Deferred tax adjustments relating to the year ended 31st March, 2017 have been adjusted in the statement of profit and loss for the said year.

Nature of Reserves**Securities Premium**

Security Premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

General Reserve

The General reserve is used from time to time for transfer of profits from surplus in statement of Profit and Loss for appropriation purposes.

Capital Reserve

This reserve represents the subsidy from Government and amount received upon reissue of forfeited shares and upon forfeiture of share warrants.

Equity Investment Reserve

This reserve represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, net off amounts reclassified to retained earnings when those assets have been disposed off.

BAJAJ STEEL INDUSTRIES LIMITED

26 (a) On the basis of physical verification of assets, as specified in Ind AS - 36 and cash generating capacity of those assets, in the management perception there is no impairment of such assets as appearing in the balance sheet as on 31.03.2018.

(b) The company has invested USD 1668000 (equivalent to Rs. 10.26 crs) in its wholly owned subsidiary M/s. Bajaj Coneagle LLC, USA. In spite of operating at decent gross profit margin, the said subsidiary had been incurring substantial losses every year since its incorporation till FY-2016-17, primarily due to low demand. However, now the subsidiary is well recognised in the local market and getting good orders and has made some profit in F.Y. 2017-18 and the overhead costs is also being considerably reduced. The Management expects that the subsidiary will be earning sizeable profits and the entire accumulated losses will be recovered by the end of F.Y. 2019-20 and that the subsidiary will start giving profits in the future years thereafter. In view of this, no provisioning of Impairment of assets, as per Ind AS - 36 is being considered in the accounts.

27 Certain Balances under Advance from Customers, Trade Payables, Capital Advances, Trade Receivables and Advances Recoverable in cash or in kind or value to be received are subject to Confirmation.

Management estimations and assumptions

a) The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

b) The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- The fair values of the quoted shares and unquoted mutual funds are based on NAVs at the reporting date.
- The fair values of the unquoted equity shares have been determined based on certifications from valuers who have used Net Asset Value approach for determining the fair values.

28.2 Fair value hierarchy

The following table presents the fair value hierarchy of assets and liabilities measured at (₹ in Lacs)

Particulars	Note Reference	Fair value measurement at end of the reporting period/year using			
		Level 1	Level 2	Level 3	Total
As on 31st DEcember, 2017					
Financial Assets Mutual funds	11.1	68	-	-	68
Equity Instruments (other than subsidiary, Joint ventures)	7.1	-	-	-	-
As on 31st March, 2017					
Financial Assets					
Mutual funds	11.1	224	-	-	224
Equity Instruments (other than subsidiary, Joint ventures)	7.1	-	-	15	15
As on 1st April, 2016					
Financial Assets					
Mutual funds	11.1	340	-	-	340
Equity Instruments (other than subsidiary, Joint ventures)	7.1	-	-	68	68

Level 1: Quoted Prices in active markets for identical assets or liabilities

Level 2 : Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The company's policy is to recognize transfers into and the transfers out of fair value hierarchy levels as at the end of the reporting period. There are no transfers between level 1 and level 2 during the end of the reported periods.

28.3 Financial Risk Management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to various financial risks: market risk, credit risk and liquidity risk. The company tries to foresee the unpredictable nature of financial markets and seek to minimise potential adverse impact on its financial performance. The senior management of the company oversees the management of these risks. The Audit Committee has additional oversight in the area of financial risks and controls. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.

29 CAPITAL MANAGEMENT

The following are the objectives of Capital management policy of the company:

- (i) Safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and
- (ii) Maintain an optimal capital structure to reduce the cost of capital

As a part of capital management strategy, the company may adjust the amount of dividends paid to shareholders, issue new shares, raise debt capital or sell assets to reduce debt. The company monitors capital basis a gearing ratio which is calculated by dividing the total borrowings by total equity. The company's strategy is to maintain a gearing ratio as possible as lower. In order to achieve this overall objective, the company ensures to meet its financial covenants attached to the interest bearing loans and borrowings. There have never been any breaches in financial covenants of any interest bearing loans and borrowings in the past and also in the current period.

30 RELATED PARTY TRANSACTIONS

**BAJAJ STEEL INDUSTRIES LIMITED****33 ASSETS SECURED FOR BORROWINGS**

The carrying amounts of assets secured for current and non current borrowings is given in the following table:

Particulars	Notes	31st March, 2018	31st March, 2017
1st April, 2016			
Non Current Assets			
Property, Plant and Equipments (Including CWIP)		5,374	5,795
Total		5,374	6,310
Current Assets			
Trade Receivables		4,953	4,153
Cash and Cash Equivalents		1,693	1,473
Inventories		5,711	5,789
Total		12,357	11,416
			13,803

34 Inventories of raw materials include obsolete and slow moving stock, cost whereof was Rs.253.45 lacs, being carried at estimated net realisable value of Rs. 52.78 lacs. There is no effect in profit or loss for the year due to such write down of inventories.

35 With effect from 1st January 2018, the steel division of the company has changed the method of providing depreciation from Written Down Value (WDV) Method to Straight Line Method (SLM). Due to such change in the method of depreciation, the depreciation for the year is lower by _____ lacs and consequently, profit for the year is higher by _____ lacs.

36 On the basis of physical verification of assets, as specified in IND AS - 36 and cash generation capacity of those assets, in the management perception there is no impairment of such assets as appearing in the balance sheet as on 31.03.2018.

37 In absence of adequate information relating to the suppliers under the Micro, Small and Medium Enterprises Development Act, 2006, the Company is unable to identify such suppliers, hence the Information required under the said Act, cannot be ascertained.

Signature of the Member or
Authorised Representative

Notes :

- 1) If you opt to cast your vote by e-voting, there is no need to fill up and sign this form
- 2) Last date for receipt of Physical Ballot Form, 25th September, 2018 (5.00 PM)
- 3) Please read the instructions printed overleaf carefully before exercising your vote.

INSTRUCTIONS

General Instructions :

- 1) Shareholders have option to vote either through e-voting ie. electronic means or to convey assent/ dissent in physical form. If a shareholder has opted for Physical Ballot Form, then he/she should not vote by e-voting and vice versa. However, in case Shareholders cast their vote through Physical Ballot Form and e-voting, then vote caste through e-voting mode shall be considered and vote cast through Physical Ballot Form shall be ignored.
- 2) Voting through Physical Ballot form cannot be exercised by a proxy. However, corporate and institutional shareholders shall be entitled to vote through their authorised representatives with proof of their authorization, as state below.

Instructions for voting physically on Ballot Form

- 1) A member desiring to exercise vote by Physical Ballot should complete this Form (no other form or photocopy thereof is permitted) and send it to the Scrutinizer M/s B.Chhawchharia & Co, Chartered Accountants, by post at their own cost to reach the Scrutinizer at the Address 202, Shantiniketan, K-13/A, Laxminagar, Nagpur - 440022. (Maharashtra) on or before 25th September, 2018 at 5.00 P.M. All forms received after this date will be strictly treated as if the reply from such Member has not been received.
- 2) This Form should be completed and signed by the Shareholder (as per the specimen signature registered with the Company/ Depository Participants). In case of joint holding, this form should be completed and signed by the first named Shareholder and in his absence, by the next named Shareholder.
- 3) In respect of shares held by corporate and institutional shareholders (companies, trust, societies, etc.) the completed Ballot Form should be accompanied by a certified copy of the relevant board resolution/appropriate authorization, with the specimen signature(s) of the authorized signatory(s) duly attested.
- 4) The consent must be accorded by recording the assent in the column "FOR" or dissent in the column "AGAINST" by placing a tick mark (v) in the appropriate column in the Form. The Assent/ Dissent received in any other form shall not be considered valid.
- 5) Members are requested to fill the Form in indelible ink and avoid filling it by using erasable writing medium(s) like pencil.
- 6) There will be one Ballot Form for every Folio/ Client id irrespective of the number of joint holders.
- 7) A member may request for a duplicate Ballot Form, if so required and the same duly completed should reach to Scrutinizer not later than the date specified under instruction No. 1 above.
- 8) Members are requested not to send any other paper along with the Ballot Form. They are also requested not to write anything in the Ballot Form except their assent or dissent and putting their signature. If any such other paper is sent the same will be destroyed by the Scrutinizer.
- 9) The Scrutinizers' decision on the validity of the Ballot Form will be final and binding.
- 10) Incomplete, unsigned or incorrectly ticket Ballot Form will be rejected.
