8.	Rationale of Slump Sale	<p>The Company is presently operating under two business divisions i.e. Steel division and Superpack division. The Steel division is actively engaged in the manufacturing of Cotton processing machines, Pre-Engineered Buildings, Engineering products and other Industrial products. The Superpack division is into the production of various kind of Master batches used in plastic industry. However, considering the growth prospects and future expansion of the Company, the Board of Directors wish to focus fully on Steel division business.</p> <p>Further, the Superpack division is suffering losses from past few years and the losses incurred by the Superpack division has resulted reduction in the overall profitability of the Company and thus also affected the financial performance of the Company.</p> <p>Accordingly, the sale of Superpack division on a going concern basis is desired. Further, the sale of Superpack division would result into benefits such as Strengthening the balance sheet of the Company and Substantial growth opportunities in line with its strategic directions.</p>
9.	Details of change in shareholding pattern	There will be no change in the shareholding pattern of the Company.
